EXCELLENCE & CONSISTENCY IN CLIENT SERVICING

Global Custodian's 25th Anniversary Award

...ALPS manages to secure a high proportion of 7.0 (Excellent) scores each year. This suggests that a large proportion of clients are enthusiastic and feel very positively about the relationship they have with their administrator. This in turn helps ALPS achieve consistently strong results.

- 2015 Global Custodian Mutual Fund Administration Survey

Thank You,

I'd like to thank our clients who participated in the survey and our employees for their continued dedication to servicing our clients.

We have been recognized by Global Custodian as a leader in the industry for the past 9 years; however, we continue to make significant investments in our service platform to continuously improve and expand the services we offer to our clients.

We are excited about the opportunities for our clients and within the industry as a whole, and we remain committed to helping asset managers succeed through innovative, technology-based solutions.
